1. Aims

The aim of the anti-bullying policy is to ensure:

- i) That pupils learn in a supportive, caring and safe environment without fear of discrimination or being bullied.
- ii) That staff are able to work in a caring and safe environment without fear of discrimination or being bullied.

Bullying is anti-social behaviour and affects everyone; it is unacceptable and will not be tolerated. Only when all issues of bullying are addressed will pupils be able to fully benefit from the opportunities available in our school.

Bullying is defined as **deliberately** hurtful behaviour, **repeated** over a period of time, where it is difficult for those being bullied to defend themselves.

Anti Bullying Policy

Bullying can be:

Cyber: Being cruel to others by sending or posting harmful material using technological means (e.g. email, social networking, chat rooms, forums, message boards, phones, webcams, gaming)

Emotional: Being unfriendly, excluding, intimidating, tormenting (e.g. hiding books, threatening gestures)

Physical: Pushing, kicking, hitting, punching or any use of violence

Racist: Racial taunts, graffiti, gestures

Sexual: Unwanted physical contact or sexually abusive comments

Homophobic: Because of, or focussing on the issue of sexuality

Verbal: Name-calling, sarcasm, spreading rumours, teasing

We consider bullying to be:

Deliberately hurtful.

Repeated often, over a period of time.

Difficult for victims to defend themselves against.

Pupils and staff who are being bullied may show changes in behaviour, such as becoming shy and nervous, feigning illness, taking unusual absences. There may be evidence of changes in work patterns, lacking concentration or truanting/absenteeism from school.

Pupils and staff are to be encouraged to report bullying in school.

Our School's teaching and ancillary staff must be alert to signs of bullying and act promptly and firmly against it in accordance with school policy.

2. Implementation

The Anti-Bullying policy will be made known to all members of the school community.

The following steps may be taken when dealing with incidents involving pupils:

Anti Bullying Policy

- if bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached
- a clear account of the incident will be recorded and given to the Headteacher
- the Headteacher will interview all concerned and will record the incident on the Bullying Register
- class teachers will be kept informed and if it persists advise other teaching staff as appropriate
- parents will be kept informed
- punitive measures will be used as appropriate and in consultation with all parties concerned.

Pupils

Pupils who have been bullied will be supported by:

- offering an immediate opportunity to discuss the experience with a member of staff of their choice
- reassuring the pupil
- offering continuous support
- considering avoidance/coping strategies
- Restoring self-esteem and confidence.

Pupils who have bullied will be helped by:

- discussing what happened
- discovering why the pupil became involved
- establishing the wrong doing and need to change
- considering avoidance strategies
- informing parents or guardians to help change the attitude of the pupil.

The following disciplinary steps can be taken:

- official warnings to cease offending
- loss of playtimes
- exclusion from certain areas of school premises
- minor fixed term exclusion
- major fixed term exclusion
- Permanent exclusion.

Incidents involving staff will be dealt with according to the School's established disciplinary procedure.

Anti Bullying Policy

3. Reconciliation

In many cases children are unaware of the extent of the hurt caused through their actions.

- pupils who have bullied will be confronted with the pain, hurt, upset which their actions have caused
- where it is felt to be appropriate, both parties may be brought together with a mediator and asked to express their feeling (this will not be appropriate if any lingering resentment is obvious, or one party is unwilling)
- it will be made clear that a line has been drawn under the issue and that a fresh start begins now
- It is not sufficient, simply to avoid bullying, but opportunities for both parties to support each other will be explored with the mediator. (Such supportive behaviour may not be appropriate with immediate effect.)
- the mediator will ask both parties to report back on relationships at regular periods

Within the curriculum the school will raise the awareness of the nature of bullying through inclusion in PSHCE, Seal programme, classroom time, assemblies and subject areas, as appropriate, in an attempt to eradicate such behaviour.

4. Monitoring, evaluation and review

The school will review this policy regularly and assess its implementation and effectiveness. The policy will be promoted and implemented throughout the school.
