Scotton Lingerfield Primary School
Maths Long Term Plan

Maths is taught using the NCETM spines which focus on three key areas: Number, addition and subtraction; Multiplication and division and Fractions. All other areas of maths- measure, geometry and statistics – are integrated within the three key areas as a way of extending and exemplifying the core concepts. See progression document

Year A							
	EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Aut 1	Build on previous experiences of number from their home and nursery environments, and further develop their subitising and counting skills. They will explore the composition of numbers within 5. They will begin to compare sets of objects and use the language of comparison.	Number, Addition and subtraction	Number, Addition and subtraction	Number, Addition and subtraction	Number, Addition and subtraction	Number, Addition and subtraction	Number, Addition and subtraction / Multiplication and division
Aut 2		Number, Addition and subtraction	Number, Addition and subtraction	Number, Addition and subtraction	Number, Addition and subtraction	Number, Addition and subtraction / Multiplication and division	Multiplication and division
Spr 1	Continue to develop their subitising and counting skills and explore the composition of numbers within and beyond 5. They will begin to identify when two sets are equal or unequal and connect two equal groups to doubles. They will begin to connect quantities to numerals.	Number, Addition and subtraction	Number, Addition and subtraction / Multiplication and division	Number, Addition and subtraction / Multiplication and division	Multiplication and division	Multiplication and division	Multiplication and division / Fractions
Spr 2		Multiplication and division	Multiplication and division / Fractions	Multiplication and division	Multiplication and division	Multiplication and division	Fractions
Sum 1	Consolidate their counting skills, counting to larger numbers and developing a wider range of counting strategies. They will secure knowledge of number facts through varied practice.	Multiplication and division / Fractions	Shape, Space and Measure / Consolidation	Fractions	Multiplication and division / Fractions	Fractions	Shape, Space and Measure
Sum 2		Fractions / Shape, Space and Measure	Consolidation	Fractions / Shape, Space and Measure	Fractions / Shape, Space and Measure	Fractions / Shape, Space and Measure	Consolidation
